

Helix Dynamics Benefits Policy

1. Health Insurance

Helix Dynamics offers medical, dental and vision coverage. The company pays 90 percent of the premium for employees and 70 percent for dependents. Coverage begins on the first day of employment.

2. Retirement Plan

Employees can contribute to the 401(k) plan from their first paycheck. The company matches 100 percent of the first 4 percent of salary contributed. Company matching contributions vest fully after 2 years of service.

3. Learning and Development

Each employee has an annual learning budget of 2,000 US dollars for courses, certifications and conferences. Unused budget does not roll over to the next year. Certification exam fees for approved cloud and security certifications are reimbursed in full and do not count against the learning budget.

4. Wellness

Employees receive a monthly wellness stipend of 50 US dollars that can be used for gym memberships, fitness classes or wellness apps.

5. Commuter Benefits

Employees who commute to an office can set aside pre-tax income for transit and parking, up to the limits set by the IRS.

6. Employee Assistance Program

The Employee Assistance Program provides free, confidential counselling sessions, up to 8 sessions per issue per year, for employees and their household members.
