

# **Helix Dynamics Employee Handbook**

## **1. Welcome**

This handbook describes how we work at Helix Dynamics. It applies to all full-time and part-time employees in every office: Atlanta, Austin, Chicago, Denver and remote locations. Where a dedicated policy exists (remote work, benefits, leave, security), that policy takes precedence over this summary.

## **2. Working Hours**

Standard working hours are 9:00 AM to 5:00 PM local time, Monday through Friday. Core collaboration hours are 10:00 AM to 3:00 PM Eastern Time, during which employees are expected to be reachable. Non-exempt employees must record all hours worked in the timekeeping system by the end of each week.

### **3. Code of Conduct**

Employees must treat colleagues, customers and partners with respect. Harassment, discrimination and retaliation of any kind are prohibited. Concerns can be raised with a manager, with People Operations, or anonymously through the Ethics Hotline.

### **4. Probation Period**

New employees complete a 90-day introductory period. During this period the employee and manager hold check-ins at 30, 60 and 90 days. Employees are eligible for benefits from their first day, but remote work eligibility begins after the introductory period.

### **5. Performance Reviews**

Performance reviews are held twice a year, in March and September. Merit increases are awarded once a year after the September review cycle and take effect on October 1.

## **6. Expenses**

Business expenses must be submitted within 30 days with itemized receipts. Meals while travelling are reimbursed up to 75 US dollars per day. Economy class is required for flights under 6 hours.

## **7. Equipment**

Every employee receives a company laptop. Employees who work remotely at least two days a week receive a one-time home office stipend of 500 US dollars. Equipment must be returned within 5 business days of separation.
